Re: 1984 Annual Report of the Arizona Department of Insurance

Gentlemen:

As Director of Insurance for the State of Arizona, I am pleased to submit to you the Seventy-Second Annual Report of the Arizona Department of Insurance for the calendar year January 1, 1984 to December 31, 1984 as provided for in A.R.S. § 20-154.

The purpose of this report is to provide you with a summary of the annual statements received by this Department showing the general condition of the insurance business in the State of Arizona as of December 31, 1984.

Respectfully submitted,

S. David Childers
Director

SDC/pr

REPORT OF THE DIRECTOR

The Department of Insurance is organized into four separate divisions: the Hearing Division, the Corporate and Financial Affairs Division, the Consumer Affairs and Investigations Division, and the Rates and Regulation Division. The Hearing Division reports directly to the Director of Insurance while the other divisions report to the Deputy Director of Insurance who is also responsible for the administrative and actuarial functions of the Department. Additionally, the Deputy Director serves as liaison between the Department of Insurance and the two Arizona guaranty funds and is responsible for all receiverships, conservatorships and supervisions conducted by the Department.

The Hearing Division is headed by the Chief Hearing Officer and is responsible for conducting all hearings held by the Department of Insurance. The remaining three divisions are supervised by Assistant Directors of Insurance, each of whom is charged with overseeing his or her specific responsibilities as prescribed by Arizona insurance laws and as assigned by the Director of Insurance. In addition to the above, the Director is assisted in legislative and public relations matters by an Executive Assistant.

Corporate and Financial Affairs Division

The Corporate and Financial Affairs Division is headed by Assistant Director Roy E. Gill, CFE. This Division is responsible for monitoring the solvency of domestic insurers and protecting policyholders from insurers in an unsound financial condition. The Division has nine full time employees and twenty-one field examiners who are independent contractors conducting financial examinations of domestic and foreign insurers. During 1984, 136 domestic examinations were conducted, as well as pre-admission examinations for 86 new Arizona insurers. The Division also screened and admitted 86 foreign insurance companies during the year 1984. As of December 31, 1984, Arizona had 2,084 licensed insurers authorized to transact business in this State, including 675 domestic insurers.

The Corporate and Financial Affairs Division also has the responsibility for the collection of premium taxes and other related fees, amounting to over $56.3 million dollars in 1984. Penalties and interest collected during 1984 amounted to an additional $122,199. In addition, premium tax audits resulted in collections of $676,935. This Division receives all annual statements and other filings from the approved companies and as part of the monitoring of financial solvency, the Corporate and

Financial Division reviews the NAIC Insurance Regulatory Information System Reports on all insurers authorized in the State of Arizona.

During 1984, the Corporate and Financial Affairs Division responded to a sudden increase of applications for life care facilities and health care service organization applications. The Division also provided technical assistance to the Life and Disability and the Property and Casualty Insurance Guaranty Funds as necessary. Toward that end Division personnel assisted in the computation, billing and collecting of a $7,000,000 Property and Casualty Insurance Guaranty Fund assessment during 1984. The Division has the responsibility for notifying other Divisions, as well as other regulatory bodies, regarding regulatory action affecting Arizona insurers.

Consumer Affairs and Investigations Division

The Department's Consumer Affairs and Investigation Division is headed by Assistant Director Robert L. Zielinski. The Division is responsible for carrying out the Department's consumer assistance program and conducting investigations for possible administrative hearings or litigation regarding violations of the insurance laws. In addition to the Phoenix office, the Division maintains an office in Tucson.

During the past year, the Division received 5,867 written complaints and handled over 103,000 telephone calls, of which 86,000 were complaints or inquiries from Arizona policyholders or claimants. The Division, acting as an informal arbiter, was able to successfully assist Arizona policyholders in obtaining settlements with their insurers in the amount of $5,867,028 during 1984. Moreover, the Division operated the statewide Consumer Hotline (1-800-352-5485), so that policyholders outside Maricopa and Pima Counties could easily contact the Department when questions or problems arise relating to their insurance. The Hotline resulted in 3,135 telephone calls from outlying Arizona communities during the past year.

The Division assisted in the distribution and dissemination of the Department's consumer information materials to the public, including the automobile and homeowners premium comparisons and the personal lines complaint ratios, as well as other informational materials and brochures. As part of the Department's overall consumer assistance program, Division staff provided information to schools, senior citizens' groups and radio and television stations. The range of topics included insurance claims practices, auto and health insurance problems, and the role of the Department of Insurance.

The Consumer Affairs and Investigations Division oversees the administration of the Unfair Claims Settlement Practices Act, and the Department's regulations adopted pursuant to the Act. The Division issued 256 citations for unfair claims practices against insurers during 1984 and targeted ten companies for market conduct examinations relating to their claims practices. The Division also conducted 196 investigations of agents, brokers and adjustors resulting in 71 cases being referred for hearing or other departmental action.

Rates and Regulation Division

This Division is supervised by an Assistant Director and is comprised of three sections: Licensing, Life and Disability, and Property and Casualty. The Assistant Director position was vacant at the time this report was prepared.

Licensing Section. The Licensing Section is supervised by Maureen Catalioto, Licensing Supervisor. The section has the overall responsibility for licensing insurance agents, agencies, brokers, solicitors, adjusters, and risk management consultants in the State. The Licensing Section accepts applications for new or renewal licenses and issues licenses only to those applicants who qualify under the Arizona Insurance Code and related regulations. During 1984, the section issued 9,296 new licenses and renewed 9,395 licenses. The number of licenses held in Arizona, at year end, totaled approximately 37,000. This section also administers examinations for title agents, bail bond agents, and adjusters.

Life and Disability Section. The Life and Disability Section is supervised by Mary Butterfield, Acting Supervisor. This section is responsible for reviewing life and health insurance policy forms and advertising materials, as well as rate filings for individual health insurance coverage. In 1984, the Life and Disability Section reviewed and approved 9,846 policy forms and disapproved 652 policy forms.

This section also reviews credit life and credit disability insurance policy forms and rate filings to assure compliance with the rules and regulations relating to these coverages. Because of the technical and complex nature of this type of insurance, section analysts are often called upon for assistance in interpretation and policy development by insurance company personnel.

The responsibilities of the Life and Disability Section were increased significantly during 1984 due to the enactment of Senate Bill 1088, regulating mass marketed insurance. Effective August 4, 1984, all advertising materials for mass marketed health insurance must be made available to the Department before

coverage is offered in Arizona. Through this legislation, the Section now has access to and control of materials which had previously not been subject to review.

This section also assists the Corporate and Financial Affairs Division in the processing of applications for Certificates of Authority for Health Maintenance Organizations (HMO's) by reviewing the forms and contracts used by these organizations. The section reviews modifications and revisions to existing contracts and approves advertising materials for HMO's. In addition, section analysts maintain ongoing liaison with operating Health Maintenance Organizations and those in the course of formation throughout the State.

Monitoring consumer complaints against life and health insurance companies in order to determine the need for market conduct examinations is also a responsibility of the Life and Disability Section. The section supervises a market conduct examiner responsible for field reviews of life and disability insurers' underwriting, claims, and marketing activities.

The Life and Disability Section continued to have a staff member serving as the Department's liaison with the Senior Citizens Health Insurance Advisory Committee. In addition, the section worked wih local life underwriters' associations and the Retired Seniors Volunteer Program to provide educational programs to senior citizens regarding Medicare Supplement policies. Section staff made numerous presentations to nursing homes, hospitals, and other organizations regarding health insurance issues pertaining to the interests of each group.

Property and Casualty Section. The Property and Casualty Section is supervised by Deloris E. Williamson. The Section is reponsible for administering Arizona's property and casualty rating laws, as well as overseeing the regulation of qualified service companies and surplus lines brokers.

During 1984, the Property and Casualty Section prepared three major publications--the Automobile Premium Comparison, the Homeowners Premium Comparison, and the Personal Lines Complaint Ratio. All had a similar purpose, to assist the public in the purchase of insurance coverage and the selection of an insurance company:

- the Auto Premium Comparison compared the premiums of 51 insurance companies writing over 90% of the private passenger automobile insurance in Arizona. The results encouraged consumers to comparison shop for their insurance, demonstrating a premium range from $186.54 to $462.00 for the same hypothetical risk.

- the Homeowners Premium Comparison compared the premiums of 31 companies writing over 91.6% of homeowners insurance in Arizona. The premiums ranged in Phoenix from $158.00 to $245.00 for the same hypothetical risk.

- the Complaint Ratio brings to public attention those companies against which numerous complaints were received. This publication also assists the Department in assessing individual company performance during the year, identifying problems which require regulatory action and serving as a deterrent to "would be" offenders. The preponderance of complaints dealt with claims handling activities involving unsatisfactory settlement offers, denial of claims, and payment problems. Those companies which exceeded a complaint ratio of 1.00 per 1,000 policies were automatic candidates for a Market Conduct Examination.

The section also supervises the Property and Casualty Market Conduct Examination Program which involves the review of company rating, underwriting, claims, and marketing activities. As a result of examinations conducted in 1984, for example, a total of $120,684 was refunded to Arizona policyholders whose insurance companies had failed to include taxes and fees in the settlement of first party automobile total loss claims.

One of the most notable Property & Casualty efforts of 1984 resulted in Mission Insurance Company returning more than $715,000 to policyholders from whom it had withheld dividends for nonrenewing their workers' compensation policies with Mission.

During 1984, the section reviewed and processed 7,680 forms and 2,701 rate filings, prepared several technical exhibits, and assisted the Consumer Affairs and Investigations Division in complex investigations. Section staff chaired or participated in advisory committees working on records management, test development, and various other property & casualty issues.

Hearing Division

The Hearing Division is responsible for all proceedings, decisions and rulings of the Department of Insurance. The Division is headed by the Department's Chief Hearing Officer, Jeffrey P. Larson. Agents and insurance companies are afforded the opportunity to appear and defend in disciplinary proceedings conducted by the Hearing Division. In addition, the Hearing Division conducts public hearings on acquisitions, mergers and withdrawals as required by Arizona law.

During the past calendar year, the Division conducted one hundred ninety-nine hearings. The licenses of forty-four insurance agents were either suspended or revoked and the certificates of authority of twenty-nine insurance companies were suspended or revoked. Additionally, the Division prepared and issued orders denying the issuance of licenses to eight individuals.

The Department currently is drafting amendments to several rules as a result of industry changes. These rules include Coordination of Benefits (R4-14-217), the Nationwide Marine Definition (R4-14-602), Franchise Disability Insurance (R4-14-605) and Guaranty Fund plans of operation. It is expected that these rules and amendments will be adopted in 1985.

Assistant Attorneys General

The Assistant Attorneys General assigned to the Insurance Department act as counsel to the Director of Insurance and to the members of the Insurance Department. Their services include interpretation of the Insurance Code and supplying statutory construction analyses in the form of Attorney General Opinions, counsel memoranda and oral communication. The Assistant Attorneys General also represent the Property and Casualty Guaranty Fund and the Life and Disability Guaranty Fund, both of which are arms of the Department of Insurance. Additional services include defense of suits against the Director, appeals from the Director's administrative orders, and institution of actions on behalf of the Director to enforce the provisions of the Insurance Code.

Other assistant attorney general functions include drafting and review of notices of hearing, contracts and other legal documents for the Department, responding to correspondence from insurance companies and other state insurance departments, providing advice to members of the Department on various legal problems which arise in their division, and reviewing all rules proposed by the Insurance Department for legal sufficiency.

Attorney General Opinions

In Sepember, 1984, the Director requested an opinion of the Arizona Attorney General whether the Arizona Insurance Code prohibited a lease agreement between an insurance agent and a landlord not licensed to sell insurance in the State, where the amount of rent was based upon the volume of business done by the agent. In opinion I84-164, dated November 28, 1984, the Attorney General concluded that such agreements were prohibited by A.R.S. § 20-311 as an illegal sharing of commissions.

Circular Letters

Two circular letters were issued by the Department of Insurance in 1984. The first, dated May 23, 1984, is a summary of all insurance legislation which appeared in this report in the fall of 1984.

The second circular letter, dated December 21, 1984, identified a practice of some insurers where claims of non-culpable third parties were arbitrarily being reduced 20% to 30%. In these instances, insurers were representing to claimants that recent legislation, permitting jurors to consider the contributory negligence of the plaintiff, authorized an automatic reduction in an appropriate settlement. Companies were informed that this practice is an unfair claims settlement practice and that each claim should be settled on the basis of its individual merit.

Major Hearings

The Director conducted two major hearings in 1984. The first hearing was held on August 1, 1984 in Phoenix regarding the Baldwin United Companies' rehabilitation. In order to provide as much information and encourage as much participation as possible, another hearing was held a week later in Tucson. At each hearing, the condition of the companies was described. The companies writing business in Arizona--National Investors Life Insurance Company and University Life Insurance Company--are not insolvent since each is possessed of assets in excess of liabilities. The Arizona Life and Disability Guaranty Fund, which was the only guaranty fund in the country activated, paid claims of Arizona residents who were suffering under some hardship. The options regarding their contractual rights were also explained to those in attendance.

On November 15, 1984, the Director heard testimony regarding proposed changes of the Coordination of Benefits rule (R4-14-217) that had previously been adopted by the National Association of Insurance Commissioners (NAIC). The first change proposed would substitute the "birthday rule" for the current gender-based rule as the method for determining which of the group policies providing dependent coverage would be primary. The "birthday rule" provides that the coverage for the person with the birthday earliest in the calendar year is primary.

The other change would allow the secondary coordinating medical insurers to pay benefits of less than 100%, with the intent that some mandatory coinsurance payment by the insured would reduce utilization of services thereby reducing medical costs and insurance premiums. There was, however, no statistical

evidence showing that this would actually result in reduced premiums for insureds. It was also concluded that it is less of an economic burden for an insured to pay a relatively small monthly premium than to have to pay 20% or more of his or her total health care. Based on the information gathered at the public hearings, the Director concluded that the "birthday rule" should be adopted. He also concluded, however, that the change allowing coordination to less than 100% should not be adopted at this time.

2. Old Security Life Insurance Company (OSL).

On January 18, 1984, the Fund received $38,123.58 from the Receiver of OSL, pursuant to a Stipulation and Settlement Agreement between the Fund and the Receiver that was executed in December, 1983.

The amount indicated above was the final settlement of any recoveries by the Fund from the Receiver of OSL, except there still may be a small amount of interest due the Fund resulting from an issue that is still to be litigated in the State of Missouri by others.

In view of this, a Report on the history and causes of the impairment of OSL, pursuant to A.R.S. Section 20-689.6 was filed with the Director on February 10, 1984.

3. Iowa State Travelers Mutual Assurance Company (ISTMAC):

The Guaranty Fund Act was invoked in early 1983 regarding ISTMAC. The following is a claims summary on ISTMAC from inception and more specifically for the year 1984:

	12/31/83		12/31/84		Total from Inception	
	No. of Claims	Amount	No. of Claims	Amount	No. of Claims	Amount
Closed Claims Paid:						
Life	6	$ 6,465	41	$ 15,726	47	$ 22,191
Disability	445	164,422	226	124,993	671	289,415
TOTAL	451	170,887	267	140,719	718	311,606
Claims closed without Payment:	88	-0-	270	-0-	358	-0-
Open Claims	534	210,000	29	8,500	29	8,500
TOTAL-ALL CLAIMS:	1073	$380,887	566	$149,219	1105	$320,106

To date, no recoveries have been received from ISTMAC's Receiver, although timely claims have been filed by the Fund.

4. National Investors Life Insurance Company (NILIC)
University Life Insurance Copany (ULIC).

As a result of these two insurers being placed into Voluntary Rehabilitation in July, 1983, the Guaranty Fund Act was invoked in November, 1983, and a Class "C" Assessment was made for annuities only. The Fund began receiving the proceeds of this Assessment in January 1984, and also commenced making the first benefit payments as of January 18, 1984, after guidelines and Benefit Payment Request Forms had been approved by the Board of Directors. The following is a summary of benefit payments made by the Fund to NILIC contract holders for calendar year 1984.

(NOTE: No Benefit payments were made to ULIC contract holders during 1984).

	Number of Payments	Amount Paid
Periodic Payments, Retirement	1,425	$337,855
Lump Sum Retirement	31	40,856
Periodic Payments, Hardship	10	7,019
Lump Sum, Hardship	37	74,149
TOTALS	1,503	$459,879

There appears to be very few benefit payments extending into calendar year 1985, as most persons that have received benefits from the Fund are now receiving benefit payments from the NILIC Rehabilitation Plan.

Aside from two troubled insurers that you are well aware of which were uncovered and discussed in 1984, this concludes the report.

Respectfully submitted,

John H. Van Houten

NOTES TO FINANCIAL STATEMENTS

December 31, 1984

NOTE 1: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are presented on the cash basis of accounting. Under this method of accounting, revenues and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

NOTE 2: Nature of the Organization

The Arizona Property and Casualty Insurance Guaranty Fund was established by legislative action to settle claims against insolvent insurers and was organized in accordance with Title 20, Chapter 3, Article 6, Arizona Revised Statutes, as amended.

NOTE 3: Early Access Distributions

Early access distributions represent receipts of funds from bankrupt insurers which become available after reservation of amounts for administrative expenses and claims of secured creditors and other priority claimants. These receipts differ from receivership distributions since they are subject to reimbursement in the event that additional priority claims should arise.
